

Manatee County Tax Collector's Office Property Taxes Update

April 11, 2003 ~ Author: Debra Scott, Technical Supervisor

We periodically fax and e-mail attorneys and title insurance companies updates on office policies, statute revisions and other important information related to property taxes. We also try to cover information on other transactions you may perform at our office, such as vehicle and mobile home title transfers. **If you have not provided our office with your e-mail address, please e-mail DebraS@taxcollector.com** as broadcasts sent by e-mail better ensure that all employees within your organization receive our broadcasts. If you have any comments or suggestions, please contact Debra Scott, Technical Supervisor, by telephone (941) 741-4864 or e-mail DebraS@taxcollector.com.

2002 Tax Year

2002 Real Estate and Personal Property Taxes became delinquent on April 1st, at which time interest, advertising costs and other charges began to accrue. The amount currently due can be obtained by accessing online property tax information on our Internet site <http://www.taxcollector.com>. Payment of delinquent taxes must be in the form of cash, money order, cashier's check or certified funds.

Delinquent Tax Notices will be mailed on April 17th, to all property owners whose 2002 property taxes are unpaid as of April 7th (you may disregard the Notice if payment was made after April 7th).

All delinquent 2002 personal property accounts will be advertised in The Manatee Herald on April 24th, at which time they are subject to the issuance of a tax warrant for the levy and seizure of the personal property assessed. All delinquent 2002 real estate accounts will be advertised on May 8th, 15th and 22nd in The Manatee Herald, in preparation for our Tax Certificate Sale to be held:

2003 Tax Certificate Sale – May 31st

DeSoto Branch Location
819 - 301 Boulevard West, Bradenton, Florida

Registration begins Saturday, May 31st at 7:00 a.m.; tax sale begins at 8:00 a.m.

You can obtain a 2003 Bidder Information Packet or pre-register on our website <http://www.taxcollector.com> or contact Susan Profant in our Delinquent Dept. by telephone (941) 741-4832 or e-mail susanp@taxcollector.com

Internet Property Tax History – Pay Property Taxes Online!

Visit <http://www.taxcollector.com> to **PAY 2002 PROPERTY TAXES ONLINE** and access property tax account information for tax years 1994 thru 2002

Click on the link [Property Tax Payments & Info Online](#)

YOU CAN PAY 2002 TAXES ONLINE through an electronic debit to your checking account or by credit card. (A convenience fee is charged for all credit card payments.) Online payment is available through 11:59 PM EST on April 30th for 2002 Personal Property Taxes, and through 11:59 PM EST on May 29th for 2002 Real Estate Taxes. A confirmation receipt can be printed after completion of your transaction, a copy of which is e-mailed to the e-mail address you provide! **Please be aware that certain account statuses prevent online payment at this time.** Examples of accounts that cannot be paid online are prior year delinquent taxes; accounts with a status of bankruptcy, litigation, tax deed, good faith, or prorated; and accounts where a note posted in our tax collection system affects the payment status. Please read our website's [Online Payment FAQ's](#) for more information.

One unique feature of our tax payment online site is the ability to pay multiple transactions using our "shopping cart" payment approach. **This feature allows you to pay multiple parcels in one transaction.** This option was added as a result of comments from attorneys, title companies and mortgage holders.

You can access 1994 - 2002 real and personal property tax account information by name, address or account number on our website. Tax years 1998 - 2002 are available in our new format, enabling you to print a history page showing the payment status for all five years, and you can print a duplicate bill or a receipt once you detail an account for a specific year. Use **Search by Property ID List to verify the status of a list of accounts**, rather than having to search each account individually. *Please note:* If the taxes are delinquent and the status is “Unpaid”, you must call our office for the correct amount due at (941) 750-9566.

To obtain certified copies of paid real property tax records, or to obtain paid tax records prior to 1994, you must visit the Clerk of Court’s Recording Department as the Official Records Custodian for Manatee County.

Questions regarding Assessments, Exemptions, Ownership or Address Changes

Questions regarding assessments, exemptions, ownership or address changes should be directed to the Manatee County Property Appraiser’s Office at (941) 748-8208, or online at <http://www.manateepao.com>.

Installment Application Deadline is April 30th – Apply Online Now!

Anyone with estimated real estate or personal property taxes in excess of \$100.00 can apply for payment of their 2003 taxes by installment on our website <http://www.taxcollector.com>. A confirmation receipt can be printed as verification of filing. Installment applications are also available at all of our offices or they can be printed from our website under [Forms > Property Tax](#). **The deadline for filing is April 30th, 2003.** If the first quarterly installment is not paid by June 30th, the account will revert to annual billing. The amount billed in June and September is based on the gross tax billed in 2002. Any adjustments as a result of a change in millage rate or value are made after the tax roll has been certified, and will be reflected in the last two quarters billed in December and March.

Our Property Tax Collection System “TCAMS”

Until enhancements to our tax collection system can be made, certain types of payments cannot be posted at a branch office, and in those rare instances, a hand receipt will be issued as proof of payment. **The following payments must be delivered to a specific department of our office:**

Good Faith Payments, Homestead Tax Lien Payoffs,
Tax Deed Certificate Payoffs
Special Assessment Payoffs (*only on Split Parcels*) and
Suspense “Escrow” Payments (Government Acquisition)

Delinquent Department/DeSoto Branch Office
(941) 741-4832
Technical Department/DeSoto Branch Office
(941) 741-4864 or (941) 741-4866

Special Assessments – Non-Ad Valorem Taxes

Special assessment payoffs are not currently available on our website <http://www.taxcollector.com>, however, you can determine whether special assessments are assessed on an account by looking at the Details page under the Non-Ad Valorem section. If there is a new project that will be billed this year for the first time, the annual principal and interest assessment will appear on the November Tax Bill. To obtain payoff information, please call our office at (941) 750-9566; all other questions should be directed to Project Management at (941) 708-7450 (Attention: Sherri Robinson, Project Coordinator).

Whenever an assessment payoff is obtained, it is “**Subject to Payment of Annual Taxes**”, because the payoff does not include the annual assessment amount (i.e., the 1/15th) placed on the annual tax bill for the current year (or any prior years). Once the 1/15th has been placed on the tax bill, the full amount of the tax bill must be paid, as partial payments are not permitted by statute. Assessments are assumable upon the sale of the property; however, if a property split occurs (cutout), the unpaid balance plus accrued interest is due and payable per the resolution which established the assessment lien:

“Upon Subdividing all or a portion of a lot or parcel against which a special assessment lien has been established, **all installments of principal remaining unpaid and interest due thereon shall be due and payable without notice** or other proceedings, and the county may, at any time after such subdividing, institute foreclosure or other appropriate proceedings for the collection of all principal or interest on any or all portions of a lot or parcel against which the lien has been established.”

Acquisition of Property by a Governmental Entity – Escrow Payments

Pursuant to Section 196.295, Florida Statutes, certain governmental entities are exempt from taxation from the date they purchase or acquire property. An example would be a right-of-way acquisition or property purchased by the County, School Board, DOT or Sarasota-Manatee Airport Authority. At the closing, the prorated tax due from January 1st through the date of sale, plus fire district charges, is collected from the seller. The prorated tax is determined after obtaining a Value Proration from the Property Appraiser, which provides the current assessed value and fire district charges. **The prorated tax, together with the Appraiser's Value Proration and a copy of the recorded Deed, is delivered to our DeSoto Branch Office (Technical Department).** The prorated tax is then deposited into a "suspense (escrow) account" to be held by our office until the next tax roll is billed. If you have any questions, please contact Sara Ackley by telephone (941) 741-4866 or e-mail SaraA@taxcollector.com.

Personal Property Taxes

Please verify that there are no personal property taxes due when handling the transfer of real property to a new owner. An example of where this may occur would be a rental property on which real property and personal property taxes have been assessed. You can search personal property tax records by name, property address or account number on our website <http://www.taxcollector.com> for tax years 1994 thru 2002.

Mobile Home Transfers

We sometimes find that when an individual purchases a mobile home located on real property, the land is transferred to the new owner by the recording of a deed, but the mobile home title(s) are never transferred. The new owner assumes that transfer of ownership to the mobile home took place as well, and it is sometimes not caught for several years! ***Please remember to transfer the title (or titles for double-wide or triple-wide).***

Florida Tax Law Library

The Department of Revenue has information on how to obtain the Florida Tax Law Library at <http://taxlaw.state.fl.us/taxlawmenu.asp>. The Tax Law Library covers Tax Laws, DOR rules and other technical information, including Attorney General Opinions. The DOR also has a 'Fax on Demand' service which allows you to retrieve tax return forms, registration forms, rules and brochures. Using the handset or telephone connected to your fax machine, call (850) 922-3676 and follow the voice-assisted prompts.

Driver License Services Now Provided at Palmetto & Downtown Offices

In addition to our DeSoto Office, we recently began offering ***limited*** driver license services at our Palmetto and Downtown Bradenton Branch Offices. All Driver License related transactions that are completed by our office would include an additional convenience fee of \$5.25, above the fees charged at the local State Driver License office. Access our website <http://www.taxcollector.com> for a list of services we are able to perform.

Expedite Title Transfers – Appointments & Drop-Off Service Available

To expedite vehicle, vessel and mobile home title transfers, please ensure all paperwork is completed before you visit our office. *The associate cannot allow you to complete paperwork (titles, forms, etc.) at the counter, as other customers are waiting in the lobby to be served.* We request that you submit copies of your client's Driver License or ID Card with your paperwork; this information is required on all registration and/or title records. If a lien is to be recorded, section 4 of the 82040, or the title itself, must be completed. If any information is omitted, your work may be returned to you for completion.

Avoid standing in line and take advantage of our "drop-off" service for completion of title work or processing of tax payments (title application and all necessary forms must be complete). A three (3) day turnaround is promised. To have paid receipts or registrations mailed to you, a self-addressed, stamped envelope must be included in your drop-off. If you have a runner that will pick up the work when completed, please make sure they return to the office to do so; paid tax receipts are discarded after a week if not claimed.

To avoid waiting in line, appointments can be scheduled for **processing title work and driver license transactions** by calling (941) 741-4800. We have a limit to the number of transactions that can be processed at any one time: five (5) at our DeSoto Branch Office; two (2) at any of our other branch locations. **(Note: a double-wide mobile home and a duplicate “fast” title with a transfer each count as two transactions.)**

Vehicles & Mobile Homes – Common Fees

Application for new or Transfer of existing Florida Title - \$29.75; Out-of-State Application for Florida Title - \$33.75; Duplicate Title - \$29.75; Fast Title - \$7.00 (Vehicles); \$5.00 (Vessels); Additional Fee to Record Lien - \$2.00; Late Fee (30 days after date of purchase) - \$10.00; Real Property Decal: \$5.10.
