SALES TAX ON MOBILE HOMES

Due to a recent change made by the Department of Motor Vehicles in Tallahassee, on DMV Procedure TL 11, Transfer of Florida Certificate of Title; the state will require that dealers go back to the previous way of capturing sales tax on the title application for new or used mobile homes. You will report the entire amount of sales tax collected for the mobile home on the “A” side of the title application. If it is a double or triple wide you will **enter the entire amount of the sales tax collected on side “A”** of the application and put “**see side A**” under section 7 in the “amount of tax” field on each additional title application. See example of section 7 below. You may view the entire DMV Procedure TL 11 at <http://casey.hsmv.state.fl.us/Intranet/dmv/Manuals/DMVProcedures/BTR/tl/TL-11.pdf>
