## Deadline For September Fee Increase

Manatee County Tax Collector Office

[taxcollector.com](http://taxcollector.com)

- Your title work must be received on or before August 31, 2009, to receive the current fees.
- If your work is received on or after September 1, 2009, the new fees will be charged.
- If your work is rejected on or before August 31, 2009, the tax collector's office would extend the current fees, provided that you return your work by September 10, 2009.
- We only have until September 10, 2009, to get all eligible work processed at the current fee; per the state office, then all transactions would be subject to the new fees.
- EFS (electronic filing system) dealers; have 30 days from the initial transaction date in August to get the current fee; after that, they will be subject to the new fees.
